Darrin,

Thank you for sharing this draft document. I have a call with folks next Tuesday and will get back to you after that call with a timeline if that sounds ok. Appreciate the update.

**Subject:** Draft Response to Public Comments for Gallatin Petition to List Action

Hi Tina,

You previously asked for a curtesy review of the draft response to public comments for the proposed action to list the Gallatin River. Attached is a draft document. We are trying to plan a press release notice and would like to get a feel how long it might be for your review. Please provide an estimated feedback timeframe as soon as you can so I can coordinate our public outreach campaign in alignment with an official submittal of the 2021IR (an Addended 2020IR). The listing outcome is what was originally proposed.

Sincerely,
